

YOUR GAP YEAR WITH BASF SE

Welcome to the supply chain consultancy of BASF! We focus on strategic inhouse projects that drive the effective transformation of our supply chains. Our team works on a broad range of exciting projects covering topics such as sustainability, supply chain strategies and agility & resilience. Our internal customers include the entire value chain of BASF from base chemicals to specialties. With our expertise, we help win and retain business and drive growth in our markets.

BASF SE, located in Ludwigshafen am Rhein, is the corporate headquarters of the BASF Group and part of the Rhine-Neckar Metropolitan Region. BASF stands for competence in chemistry since 1865 and is represented today in the world's major consumer markets, with a wide range of products. As the largest employer in the region, BASF SE offers multiple career opportunities for students, university graduates and professionals providing also training in over 30 professions. Leisure, sports, culture and a good infrastructure characterize the Rhine-Neckar Metropolitan Region, in which BASF is also involved with numerous activities.

At BASF, the chemistry is right. Because we are counting on innovative solutions, on sustainable actions, and on connected thinking. And on you. Become a part of our formula for success and develop the future with us - in a global team that embraces diversity and equal opportunities irrespective of gender, age, origin, sexual orientation, disability or belief.
