

YOUR GAP YEAR WITH SAP SE

As a global leader in enterprise applications and business AI, SAP stands at the nexus of business and technology. For over 50 years, organizations have trusted SAP to bring out their best by uniting business-critical operations spanning finance, procurement, HR, supply chain, and customer experience. SAP's Global Procurement Organization (GPO) is in the middle of ongoing transformation that will change the dynamic of how GPO engages with its stakeholders. This transformation is necessary to keep up with the fast-changing environment, develop into a digital organization, meet the Board's ambitious growth plans, and support SAP's strategy. This internship is an unparalleled opportunity to gain real-world experience in a global procurement organization. You will be working together with experienced procurement professionals and will have the chance to apply and broaden your skills and learn from the GPO community. You will be able to grow your network within SAP.

Then we offer you the opportunity in the area of Corporate Controlling in Ingelheim. As part of the Gap Year Program of the University of Mannheim, we have the following position to fill at our **Walldorf** site from **autumn 2025**:
