

YOUR GAP YEAR WITH BASF SE

Welcome to the inhouse supply chain consultancy of BASF! We focus on strategic projects driving the effective transformation of our supply chains. Our team works on a broad range of topics such as sustainability, supply chain strategies, and agility & resilience. Our internal clients span BASF's entire value chain from base chemicals to specialties, each with their unique requirements. With our expertise, we help win and retain business, and drive growth in our markets. If you join us, you will grow as well: We have a strong team spirit, foster an inclusive culture, and actively promote career development within BASF. Become part of a great team where your hands-on approach and desire to leave an impact are truly valued.

BASF SE, located in Ludwigshafen am Rhein, is the corporate headquarters of the BASF Group and part of the Rhine-Neckar Metropolitan Region. BASF stands for competence in chemistry since 1865 and is represented today in the world's major consumer markets, with a wide range of products. As the largest employer in the region, BASF SE offers multiple career opportunities for students, university graduates and professionals providing also training in over 30 professions. Leisure, sports, culture and a good infrastructure characterize the Rhine-Neckar Metropolitan Region, in which BASF is also involved with numerous activities.

At BASF, the chemistry is right. Because we are counting on innovative solutions, on sustainable actions, and on connected thinking. And on you. Become a part of our formula for success and develop the future with us - in a global team that embraces diversity and equal opportunities irrespective of gender, age, origin, sexual orientation, disability or belief.

As part of the gap year program at the University of Mannheim, we are offering the following position to be filled at our location in **Ludwigshafen** by **autumn 2025**

Intern in Supply Chain Consulting

Your Tasks:

- We advise internal clients with concepts, methods and solutions along the entire value chain. As a gap-year student, you will support our team for 4 months.
- You will be involved in impactful strategic projects that focus on complex supply chain topics supporting our internal customers in their transformation journeys.
- Your support the conception, coordination, and preparation of our consulting activities for different target groups within BASF.
- You also support the quality assurance of the developed concepts, materials and events.
- You will work together with long-term supply chain professionals and planning experts.

Your Profile:

- You are an enrolled gap-year student with a focus on supply chain.
- You have gained first practical experience in supply chain management; planning is an Advantage.
- You have very good German and English skills as well as the ability to use both languages in presentations.
- You are confident in the use of MS Office applications.
- You are independent and work in a structured way.
- You show strong communication skills, team spirit, and customer orientation.

Benefits:

- **Network:** From day one you will be part of a strong, diverse, and experienced BASF team.
- **Variety of tasks:** You will get involved in challenging activities and can work on exciting projects in an interdisciplinary environment.
- **Inside knowledge:** You will get to know BASF and participate in various workshops and guided tours, gaining profound insights into the world's leading chemical company.
- **Canteens with freshly cooked food, modern recreational areas, and so much more.**
