

YOUR GAP YEAR WITH INVERTO – A BCG COMPANY

At Inverto, we specialize in strategic procurement and supply chain management. We work globally with market-leading companies, developing transformational strategies and implementing them to make their businesses stronger. And you can too – with our continued success, this is your chance to grow as we grow. Our teams want to succeed – and you'll be in great company, working with people and in a business that supports you to thrive. There's never been a better time to join us as we develop and build our future together. Are you in?

As part of the gap year program at the University of Mannheim, we are offering the following position to be filled at our location in **Munich, Frankfurt or Cologne** by **autumn 2026**:

Consulting Intern in Procurement / Supply Chain Management

Tasks - HOW YOU'LL IMPACT:

- **Project work that challenges you.**
You will support our project teams in the analysis of processes, procurement organizations and product group assortments. And, you will get actively involved in the development of suitable strategies and measures to optimize the supply chain and the strategic procurement process.
- **Insights that broaden your horizons.**
With us you will be able to look beyond the worldwide horizon: from start-up to retail, from consumer goods or the energy and automotive industries, to pharmaceuticals to healthcare. With us you will get to know plenty of different industries and customers.
- **Experiences that take you further.**
You will work closely in a team with our consultants. And will be anything but a spectator: You will be given a high degree of personal responsibility, so that you can develop on a professional as well as a personal level.

Required Profile - WHAT YOU'LL BRING:

- You are an advanced and motivated student from a **business, engineering, or related field of study** with a strong academic performance and a keen interest in procurement and supply chain management. We welcome applicants from diverse backgrounds who are eager to expand their knowledge in this area.
- **You have already gained practical experience during your studies**, preferably in consulting and/or in the areas of procurement, supply chain management or operations.
- You can think **analytically, and you are flexible**. You always enjoy new tasks and performance- and data-driven work. First experiences in Excel and PowerPoint round off your profile.
- **You thrive in a team**, stay grounded, treat others with fairness, and bring authenticity to every interaction.

- You have a self-assured appearance, feel comfortable in an international work environment and **are able to communicate confidently in German and English.**

Our Offer - TOGETHER, WE BENEFIT:

- Tailored training programs and personalized coaching to help you grow and thrive
- Access to mental coaching and Mental Health First Aid (MHFA) resources
- A rewarding Employee Referral Program to grow our team with your help
- Seasonal parties, team events, and get-togethers to foster collaboration and celebrate success
