

YOUR GAP YEAR WITH MERCK

Work Your Magic with us!

Ready to explore, break barriers, and discover more? We know you've got big plans – so do we! Our colleagues across the globe love innovating with science and technology to enrich people's lives with our solutions in Healthcare, Life Science, and Electronics. Together, we dream big and are passionate about caring for our rich mix of people, customers, patients, and planet. That's why we are always looking for curious minds that see themselves imagining the unimaginable with us.

As part of the gap year program at the University of Mannheim, we are offering multiple similar positions with the following content to be filled at our location in **Darmstadt (on-site/hybrid)** by **autumn 2026**:

Intern in Controlling

Tasks:

Your primary responsibility will be to support planning and reporting activities, as well as analyses to provide insights for decision making. Furthermore, you will contribute to our projects working in cross-functional teams across (and beyond) Merck's Finance Organization, also by taking over responsibility for your own work packages, e.g., to ensure timely implementation of new reporting standards, to fulfill requests from Senior Leadership, to improve operational efficiency, and/or to drive business decisions. You will thereby be exposed to an organization and business with a global presence.

Required Profile:

- You are studying Business Administration / Economics or equivalent
- You have ideally gained first experience in Finance, e.g. in Accounting or Financial Controlling
- You have an analytical mindset including high interest in translating data analysis into tangible business recommendations
- You have a strong knowledge of Excel and developed PowerPoint Skills
- You are curious, innovative and always looking for ways to improve
- You are fluent in English. Other languages would be an asset (no requirement)

Our offer:

This paid role offers an excellent opportunity to gain comprehensive knowledge of the main Controlling and Management Reporting processes in a multinational group. Our flat hierarchies and close collaboration between different departments provide ample opportunities for learning and exchange across multiple domains and seniority levels.

Application Details:

If you are interested in applying for the internship during the gap year, please follow the information on our website: <https://www.bwl.uni-mannheim.de/gap-year/>
