

## YOUR GAP YEAR WITH SAP

As a global leader in enterprise applications and business AI, SAP stands at the nexus of business and technology. For over 50 years, organizations have trusted SAP to bring out their best by uniting business-critical operations spanning finance, procurement, HR, supply chain, and customer experience. SAP's Global Procurement Organization (GPO) is in the middle of ongoing transformation that will change the dynamic of how GPO engages with its stakeholders. This transformation is necessary to keep up with the fast-changing environment, develop into a digital organization, meet the Board's ambitious growth plans, and support SAP's strategy. This internship is an unparalleled opportunity to gain real-world experience in a global procurement organization. You will be working together with experienced procurement professionals and will have the chance to apply and broaden your skills and learn from the GPO community. You will be able to grow your network within SAP.

As part of the gap year program at the University of Mannheim, we are offering the following position to be filled at our location in **Walldorf** by **autumn 2026**:

### Intern in Global Procurement Organization

- Communications & Learning -

#### What you will be doing:

- Contribute to the development & execution of our communications strategy within GPO
- Streamline and update SharePoint sites and other communication assets to ensure clarity and accessibility
- Develop new concepts and propose improvement ideas to further enhance GPO's communications approach
- Support communication and change management for rolling-out AI-powered procurement solutions

#### What we are looking for:

- Enthusiasm and eagerness to learn
- Solid communication and analytical skills
- Openness and proactivity
