The background of the image is the interior of a large cargo truck. The walls are made of light-colored wood panels, and the floor is also wooden. The perspective is looking down the length of the truck, towards the back. The lighting is somewhat dim, with a brighter area at the far end.

Organized cargo theft:

26,000

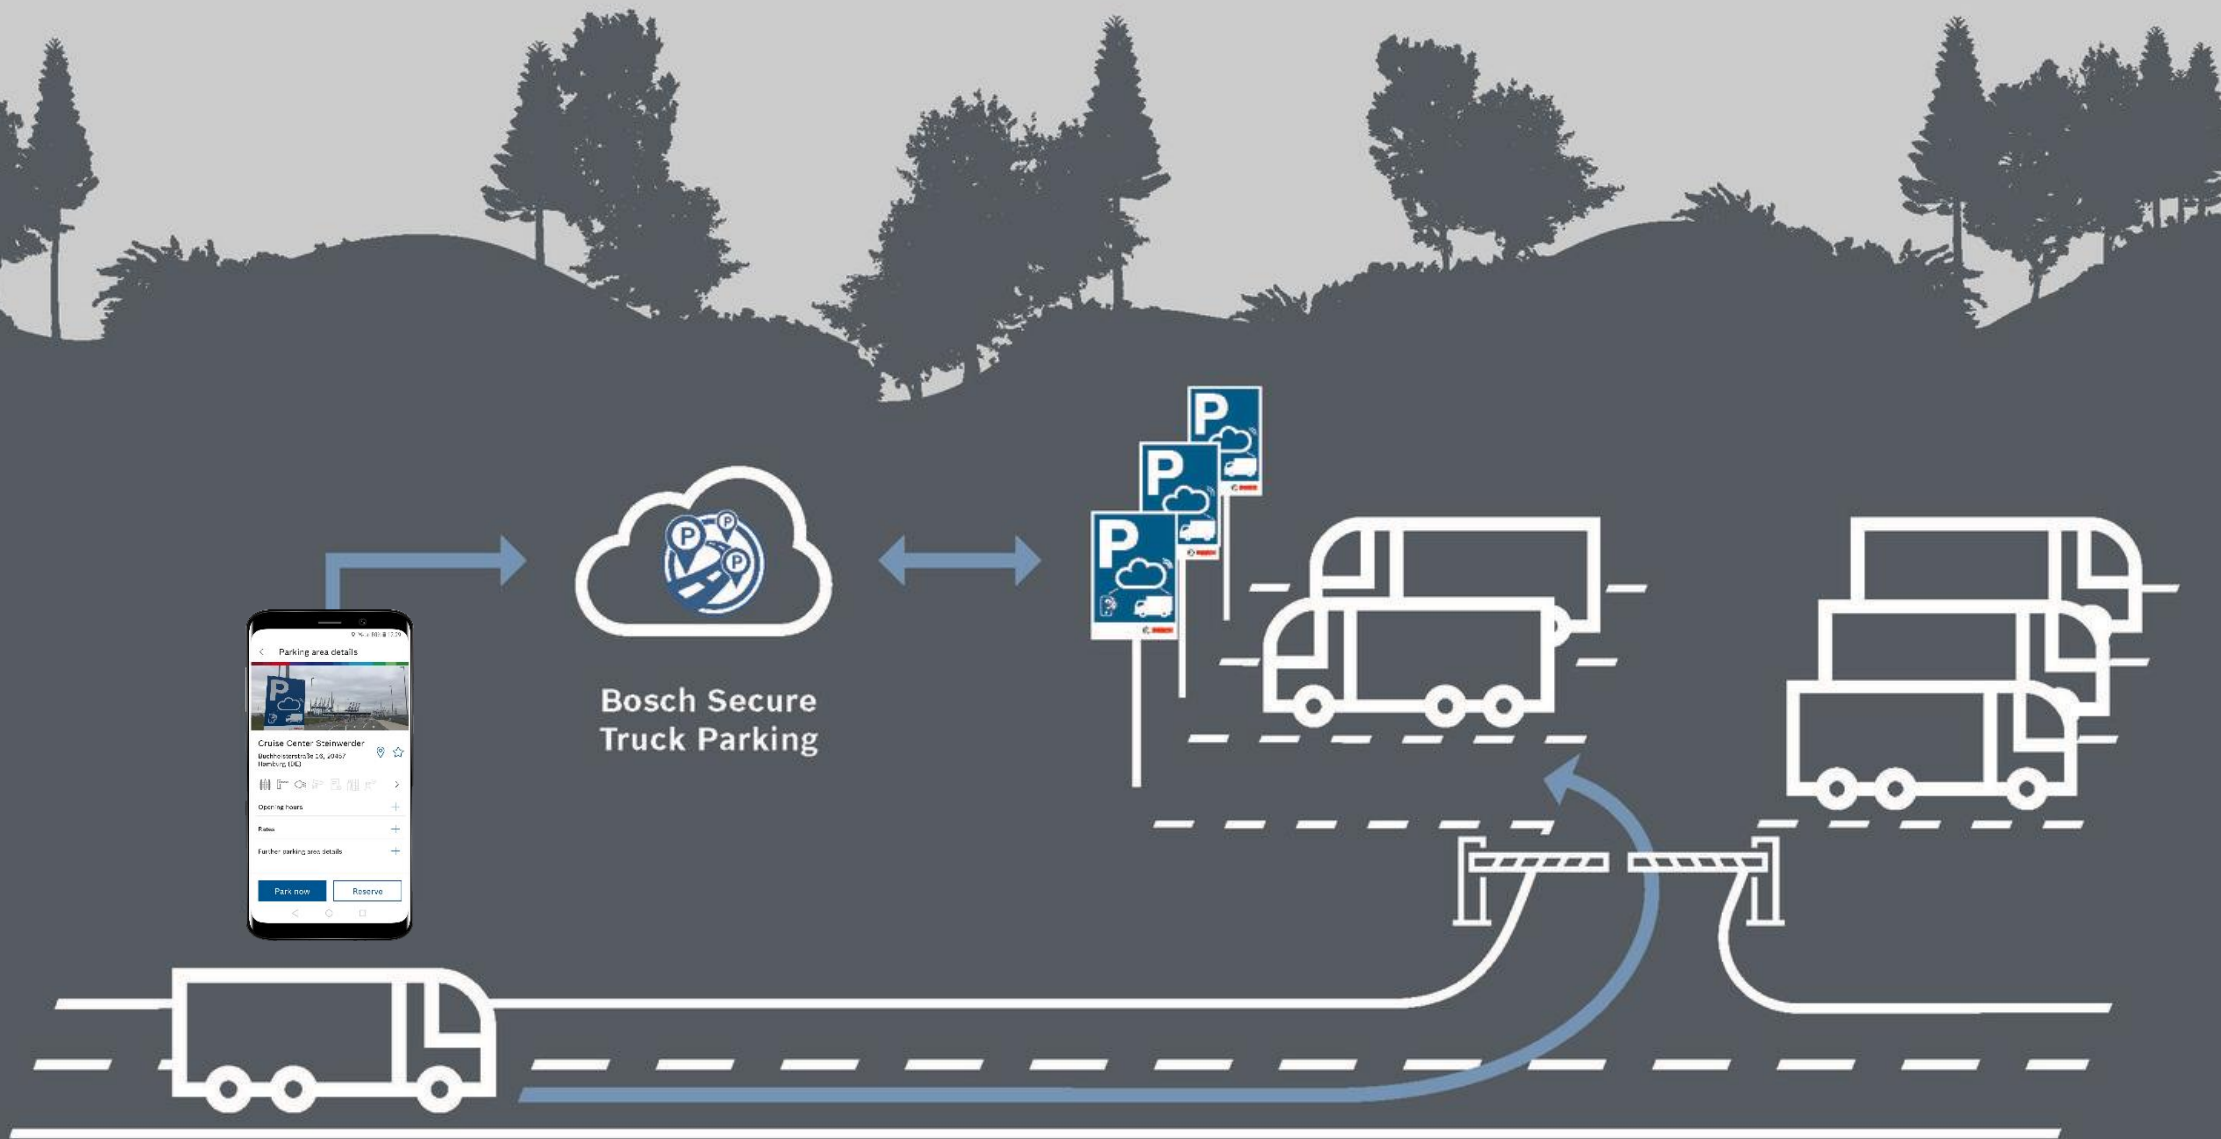

trucks are raided every
year in Germany

A close-up photograph of a person's hand using a metal tool to pry open a white truck door. The door has a prominent red diagonal stripe. A silver handle is visible above the door. The background shows the side of the truck and a red taillight.

Shortage of secure parking lots:

16

billion Euro in losses are incurred every year in the EU
due to cargo theft from trucks.
