**Please notice:**

- Please contact us for booking password.
- Please book all hotel rooms yourself and mention the given booking code to ensure the company rate.
- Please note, to protect your privilege, only MBS involved parties may use hotel passwords provided in this document.
- Mannheim and the surrounding region host many sporting events and business conferences. This makes hotel bookings challenging.
- During some time periods in the year it is possible that you will have to pay more for the room of your choice. This depends on seasonal prices and local events.
- Sometimes it is possible to get cheaper prices than our company rate. This also depends on the time of your booking and on availability.
- We recommend booking your room at least 8 weeks prior to your course here to increase the likelihood that you will get your choice.
- Cancellation is often possible (free of charge) up to two weeks before the stay. Later cancellation can cost up to 90% cancellation fee.

For receiving the booking password or if you have any questions concerning your hotel booking, please contact our Summer School Team via e-mail: [summerschool@mannheim-business-school.com](mailto:summerschool@mannheim-business-school.com)
