QUEEN'S DOUBLE DEGREE - INFORMATION FOR MMM STUDENTS

Queen's University, home of **Smith School of Business**, has a rich academic tradition dating back to 1841. Located in Kingston, Ontario, one of Canada's most vibrant small cities, Queen's is consistently ranked among Canada's very best universities. Smith's **Master of International Business (MIB)** program provides students with a unique learning experience that focuses on creating dynamic cross-cultural leaders, that can demonstrate a global perspective.
The unique team-based approach and applied curriculum specifically prepares students for the workplace and provides graduates with access to one of Canada's strongest and most committed alumni networks.

DEGREES

Upon successful completion, you will be awarded with the **'Master in Management M.Sc.'** of the University of Mannheim and the **'Master of International Business (MIB)'** from Queen's University.

STUDY PLAN

In general, double degree students take all course work required to obtain both degrees without extending the standard study period of four semesters. Therefore, please make sure to plan your course of studies thoroughly as early as possible (according to the plan below).

You will spend the first and second semester in Mannheim, where you will take the five core courses of the MMM, electives of at least 26 ECTS and a research seminar (7xx module). Please note, that you have to fulfill the requirements for writing a Master Thesis with these courses. More detailed information can be found in the MMM Module Catalog.
During the third semester you will take courses at Queen's University, including four core courses and one elective course. You will also participate in a group business project, which will take place over the entire second year of your studies. During the fourth semester you will write a master thesis under supervision of a chair at the University of Mannheim. Whether the thesis will be written in Mannheim or in Kingston is up to you and your supervisor.
