

The **Chair of Supply Chain Management** is offering a full-time position as

Postdoc in Supply Chain Management (all genders)

starting on 01. 09. 2025 .

The **Chair of Supply Chain Management** at the University of Mannheim is looking for a postdoc to expand its research and teaching capacity.

Your tasks include:

- Conceiving, executing, and publishing **high-quality research** in the field of supply chain management
- Interacting with other members of the research community at the chair and in the Area Operations Management
- Teaching supply chain management topics at BSc and/or MSc level

Your profile:

- **PhD degree** in supply chain management, industrial engineering, operations research or an adjacent field
- Strong track record in supply chain management research
- Strong research pipeline with interfaces to the chair's current research topics
- Proficiency in German is a plus

What we offer:

- Active, internationally-oriented research environment
- Space to further develop own academic profile
- Interaction with highly motivated student body
- Coaching by senior faculty members
- Welcoming, appreciative team

The **University of Mannheim** is one of the leading universities in Germany with approximately 12,000 students in five schools. Particularly in business and economics as well as in the social sciences the university ranks among the top institutions both at national and international level. More than 2,600 employees profit from an exciting work environment with numerous benefits.

The University of Mannheim **Business School** unites first-class research, internationality, and a distinct orientation towards corporate practice. The Chair of Supply Chain Management is part of the school's Area Operations Management. It covers a broad range of supply chain management topics in research and teaching. The approach is primarily quantitative, using methods of operations research to support managerial decision-making. Current focal topics include sustainable supply chains, e-grocery, and inventory management.
