Student Assistant (m/f)

The Chair of General Management and Information Systems I, Prof. Dr. Armin Heinzl, is looking for a student assistant to support the chair regarding research projects in the area of “Digitization”. The tasks include:

- Supporting the chair in organizational and administrative tasks regarding the research alliance “ForDigital” (www.fordigital.com)
- Assisting in conducting lab and field experiments
- Literature research

What we offer:

- Cooperation with the nationally and internationally renowned Chair of General Management and Information Systems
- An excellent work environment with a motivated and success-oriented team
- The opportunity to get to know research projects and to bring in own ideas
- Flexible working hours with consideration to exam periods

We are looking for:

- Reliable team-player with strong communication skills
- Very good German and English skills
- Interested in organizational and conceptual work
- Students from all fields of studies (e.g. Business Administration, Business Informatics, Economics, Psychology, etc.) independent from their degree (Bachelor, Master)

Knowledge and skills in information systems are not a general requirement. The working time is between 20 and 40 hours per month. We would enjoy a long-time cooperation. Please send your application with CV, copies of your diploma and a recent transcript of records to Anna-Maria Seeger. The application deadline is January 31st, 2018.
