Our team is currently looking for a student assistant (m/f) (Hiwi) to support our MCEi initiatives starting now (between 20 and 40 hrs/month)

Your background
- High passion for Startups and Entrepreneurship
- Experience in database building, database maintenance, development and website programming (both front end and back end)
- Experience in website administration and content management (preferably Joomla!)
- Excellent organizing skills
- Hands-on-mentality and high problem solving affinity
- Team player with high level of self-motivation & a fun person to work with

What we offer
- High flexibility and lots of opportunities to bring in creative ideas
- Supporting MCEi in maintaining established initiatives and building new initiatives
- Advancing the Mannheim Startup Ecosystem
- Getting introduced to key players/ stakeholders in the Mannheim Startup Ecosystem and the German startup scene
- Insights into entrepreneurial education and qualification
- Becoming part of the MCEI team and the Chair of SME Research and Entrepreneurship (Prof. Woywode)
- Participation in growing the MCEI and its activities
- Working in a young and dynamic team
- Compensation according to the University compensation plan for student assistants
