

English certificate C1

For both tracks (German-English track and English track) you need very good English skills at level C1. You must prove this by **one** of the following:

1. a successfully completed course of study, at least 40 percent of which was taken in English. This means that at least 40 percent of your ECTS came from courses in which teaching and examinations were held in English. This [form](#) signed and stamped by your university can be used as proof of this and submitted for the application.

PLEASE NOTE: As a graduate of the B.Sc. BWL program at the University of Mannheim you do not have to enclose this form, since your transcript explicitly shows the portion of the course work completed in English. Your Bachelor certificate or transcript is sufficient as proof of English.

2. a university entrance qualification from an English-speaking school system.
3. Test of English as a Foreign Language - Internet Based Test (TOEFL iBT) with a minimum score of 100.
4. the European Language Certificate (telc) - English University with at least (language) level C1.
5. certificate in Advanced English (CAE).
6. certificate of proficiency in English (CPE).
7. International English Language Testing System Academic Test (IELTS) with at least band 7.0.
8. [language certificate of the University of Mannheim Service und Marketing GmbH](#) with at least (language) level C1 in the areas of Listening Comprehension, Written Language, Spoken Language and Reading Comprehension. This is also available to external applicants.
