Q&A

1. MMOSCM Key Facts

Academic Calendar

Lecture period, 2026 fall semester	07.09.2026 – 11.12.2026
Examination period, 2026 fall semester	10.12.2026 – 22.12.2026 / (06.02.2027 – 13.02.2027)
Lecture period, 2027 spring semester	15.02.2027 – 04.06.2027
Easter Break 	22.03.2027 – 02.04.2027
Examination period, 2027 spring semester	07.06.2027 – 19.06.2027 / (28.08.2027 – 04.09.2027)

Regular duration of study:
4 semesters
Maximum duration of study:
7 semesters

Total number of
ECTS required for
graduation:
120 ECTS

Degree:
**Master of Science
(M.Sc.): Mannheim
Master in
Operations and
Supply Chain
Management**

2. Courses

2.a. MMOSCM Curriculum

Foundations of Operations & Supply Chain Management	28 ECTS
Business Analytics	12 - 18 ECTS
Specialized Topics in Operations & Supply Chain Management	at least 12 ECTS
Business Interfaces	0 - 30 ECTS
Academic Theses	30 ECTS

2. Courses

2.a. MMOSCM Curriculum: Core Courses

Foundations of Operations & Supply Chain Management (28 ECTS)

OPM 501 (5010) Logistics Management	6 ECTS	Fall
OPM 510 (5100) Sustainable Operations Management	4 ECTS	Spring
OPM 561 (5610) Production Management & Variability	6 ECTS	Fall
OPM 581 (5810) Service Operations Management: From Strategy to Execution	6 ECTS	Fall
OPM 591 (5910) Supply Management	6 ECTS	Fall

You can take the courses in any order and in any semester, they are offered in.

Please note: Starting with the Fall Semester 2026, course codes will be updated to four-digit numbers. In the module catalog and in this presentation, you will find both the old and the new course codes.

2. Courses

2.a. MMOSCM Curriculum

Business Analytics (12 - 18 ECTS)

Mandatory:

CC 501 (5010) Decision Analysis: Business Analytics II	6 ECTS	Fall & Spring
--	--------	---------------

Choose between 1 or 2 courses:

CC 503 (5030) Empirical Methods: Business Analytics I	6 ECTS	Fall & Spring
---	--------	---------------

OPM 560 (5600) Operations Analytics with Python	6 ECTS	Spring
---	--------	--------

Please note: Starting with the Fall Semester 2026, course codes will be updated to four-digit numbers. In the module catalog and in this presentation, you will find both the old and the new course codes.

2. Courses

2.a. MMOSCM Curriculum

Specialized Topics in Operations & Supply Chain Management (at least 12 ECTS)

Choose at least 2 courses:

OPM 601 (6010) Supply Chain Strategy	6 ECTS	Spring
OPM 662 (6620) Business Analytics: Capacity Optimization	6 ECTS	Spring
OPM 682 (6820) Revenue Management and Dynamic Pricing	6 ECTS	Spring
OPM 692 (6920) Sourcing	6 ECTS	Spring

Optional:

You can select courses up to the extend of 38 ECTS from the area Operations Management. You can find all available courses in the module catalog.

Please note: Starting with the Fall Semester 2026, course codes will be updated to four-digit numbers. In the module catalog and in this presentation, you will find both the old and the new course codes.

Details on each elective can be found in the module catalog of the Mannheim Master in Management (MMM)

Please note: Starting with the Fall Semester 2026, course codes will be updated to four-digit numbers. In the module catalog and in this presentation, you will find both the old and the new course codes.

2. Courses

2.a. MMOSCM Curriculum

5xxx classes

- Basic knowledge of particular fields of business administration is required
- E.g. OPM 501 (5010) Logistics Management

6xxx classes

- These classes often require the completion of certain 500 courses
- E.g. OPM 601 (6010) Supply Chain Strategy

7xxx classes

- Required seminars for the completion of the Master thesis in a particular area or chair
- E.g. OPM 701 (7010) Research Seminar Supply Chain Management

2. Courses

2.a. MMOSCM Curriculum: Module catalog

Module: OPM 561 (OPM 5610) Production Management & Variability EN		
Contents To match supply/capacity with demand, managers and planners have to consider different types of variability. This course discusses sources for three dimensions of variability and analyzes the effects on several operational performance measures. It introduces planning tasks for the design and management of operations systems from the strategic to the operational level. After providing an overview of variability in operations management, the course addresses capacity planning and design problems for flow production systems. Afterwards, the course covers lean and total quality management and introduces different scheduling applications. Challenges and opportunities arising from the fourth industrial revolution (Industry 4.0) and key concepts for future factories are presented. To manage and reduce variability, we introduce modern business analytics tools as well as classical lean management approaches. Variability arising in the industry are discussed with case studies based on relevant applications. This course aims to provide insights into the key decisions regarding the design and management of lean production systems. For this purpose, quantitative models for the performance analysis and optimization are discussed. Learning outcomes Students will • develop skills for quantitative planning in the field of production management, • have an overview of requirements, objectives and key concepts in lean production management, and • understand reasons and effects of variability in operations management. Prerequisites for participation Necessary: Recommended: Basic knowledge in operations management (e.g. BSc course "Produktion" or "OPM 301 Operations Management") or equivalent.		
Forms of teaching and learning	Contact hours	Independent study time
Lecture	2 SWS	8 SWS
Exercise class	2 SWS	5 SWS
ECTS credits	6	
Graded	yes	
Workload	180h	
Language	English	
Form of assessment	Written exam (90 min, 70%), case study or presentation (15 - 30 min, 30%)	
Restricted admission	no	
Further information	-	
Examiner	 Prof. Dr. Ralf Stollitz Prof. Dr. Ralf Stollitz	
Frequency of offering	Fall semester	
Duration of module	1 semester	
Range of application	M.Sc. MMM, M.Sc. Bus. Edu., M.Sc. Econ., M.Sc. Bus. Inf., M.Sc. Bus. Math., MARKW, M.Sc. MMFACT, M.Sc. MMOSCM	

Prerequisites for participation

Necessary: –

Recommended: Basic knowledge in operations management (e.g. BSc course "Produktion" or "OPM 301 Operations Management") or equivalent.

The MMOSCM module catalog is updated once a year in summer (usually July) and is valid for one Academic Year.

Always check "**necessary prerequisites**" to see if you are eligible for this course. You will not be admitted to the exam if you are not eligible!

The "**restricted admission**" field provides information on whether everyone who registers can take part or whether there is a limited number of places that are allocated by lot.

Semester abroad possible in the 3rd or 4th semester. You will receive more information in the corresponding info sessions on September 16th.

Σ 124 ECTS

2. Courses

2.a. MMOSCM Curriculum: How to create your Study Plan

- 1 Pick courses you are interested in and note in which semester they are offered.
- 2 There is **no minimum number of ECTS** credits that you must complete per semester. Guideline: ~30 ECTS per semester (usually 5-6 courses) (4 semesters and 120 ECTS in total).
- 3 Don't forget to plan in the **mandatory courses and the seminar**.
- 4 Bear in mind that the **module catalog changes annually** and that some courses may be dropped, and new ones added. This ensures that our range of courses is always up to date.

Stay relaxed! It is not necessary to plan all your courses in the first semester. Feel free to try things out and adapt your plan to your needs and interests.

2. Courses

2.b. Course registration

Deadlines Fall Semester 2026

Reminder: You find information about course restrictions in the [module catalog](#).

	Unrestricted courses	Restricted courses
Registration period	17 August – throughout the semester	17 August – 3 September (12.00 p.m.)
De-registration period	anytime	until 13 September (11.59 p.m.)
Course admission	immediate	4 September

The registration periods for seminars and Master's theses may differ. Please check the chairs' websites.

We guarantee you a place in unrestricted courses.

Places in restricted courses are drawn by lot - **no “first come first served rule”**.
MMOSCM students have prioritized access to all OPM courses.

Please be fair and stick to the de-registration deadline if you don't want to participate after all, so that your fellow students can use your place.

2. Courses

2.b. Course Registration

1. Select the courses you are interested in from the module catalog.
2. Check if the admission is restricted and if you are eligible for it (language, necessary prerequisites).
3. Log in to the student portal (Portal²) with your Uni-ID and password.

2. Course Outline

2.b. Course Registration

4. Select "My Studies" and "Degree planner with module plan".

2. Courses

2.b. Course Registration

5. Search for the module you would like to register for (use Ctrl f) and make sure you are in the right semester
6. Expand the module by clicking on the small arrow sign to the left of the module name and register by clicking on the "Apply" button (all 6 ECTS modules require Exercises as well as Lectures).

2. Courses

2.b. Course Registration

7. Your status for this course will now read “registered” (restricted courses) or “admitted” (unrestricted courses).

2.c. ILIAS

- ILIAS = E-Learning platform (here you will find lecture recordings, course slides, course materials, etc.)
- Log in with your Uni ID and password
- You will either be automatically added to the ILIAS course if you registered for the course on Portal², or you have to sign up for the course on ILIAS yourself

Switch to English: log in first and then click on the icon with your initials > "Einstellungen" > "Sprache"

2. Courses

2.c. ILIAS

 Join our MMOSCM ILIAS course!

Repository > Einrichtungen > Hochschule > Universität Mannheim > Fakultät für Betriebswirtschaftslehre > Fachbereich Betriebswirtschaftslehre > Mannheim Master in Operations & Supply Chain Management

 Mannheim Master in Operations & Supply Chain Management

3. Exams

3a. Exam registration

For questions regarding exam registration, de-registration, and withdrawal from exams, please directly contact **Ines Keller-Biehl** at the **student services office** (mail to master-bwl@uni-mannheim.de or [book an appointment](#)).

The student services office will also help you with the topics:

- academic leave of absence
- enrollment and dis-enrollment
- contributions and fees
- parallel studies
- transcript of records and posting of grades
- formalities (e.g. change of name or address)

If you are unable to take an exam due to an illness, you must submit a doctor's certificate and the form "request for de-registration from an exam due to valid reasons" **without delay** to the student services office. "Without delay" means without deliberate hesitation and at the earliest possible time.

3. Exams

3.a. Exam registration

Exam registration is **mandatory for all forms of graded assessment**, including term papers, essays, case studies or presentations!

If you are registered for a course and do not wish to take an exam, simply do not register for the exam.

Reminder: If you want ECTS and a grade, register for the exam!

Exam registration period, fall semester 2026

For all MMOSCM modules (CC, BE, Bus. Adm.)

28.09.2026 – 08.10.2026

Deadline for posting grades

15.01.2027

3. Exams

3.a. Exam registration

First and second examination period:

	First / regular exam period	Second / alternative exam period
CC and BE courses	Exam registration possible	Exam registration possible
Bus. Adm. Elective modules	Exam registration possible	No registration possible Only available if you fail or deregister due to illness

Find more information here:
[Students | University of Mannheim](#)

3. Exams

3.a. Exam registration

Examination Period:

- **10 – 22 December 2026** (including Saturdays)
- Exact exam dates will be announced on Portal²
- Examination registration period is separate from course registration period

Examination Formats:

- Mostly written on-campus exams
- Also: term papers, case studies, (group) presentations, discussions

3. Exams

3.b. Examination regulations

The examination regulations are the legal basis for your studies.

They govern all questions relating to your studies, examinations and graduation.

It is your responsibility to familiarize yourself with the rules.

3. Exams

3.b. Examination regulations

Re-sit exam *(all details can be found in the examination regulations)*

- Each failed examination can be retaken once. A passed examination cannot be retaken.
- For the **mandatory** modules you have a **third attempt** ("Joker") **once** during your studies.
- If you fail an exam on the first date, you will automatically be registered for the second date. If you fail an examination on the second date, you must register for a retake in the next possible semester.

If you ultimately fail

an elective course (i.e. fail twice)	you must take another elective course instead. The failed course will not appear on your transcript.
a mandatory course (i.e. fail three times or fail twice and no longer have a joker),	you lose your right to take examinations and your studies are terminated.
a mandatory elective course (i.e. fail twice)	you must pass the other mandatory elective course, otherwise your studies will be terminated.

3. Exams

3.b. Examination regulations

The Examination Committee for Business Administration (Prüfungsausschuss)

Responsible for:

- Drafting, developing and ensuring compliance with the examination regulations
- transfer of credits and grades from other programs to the MMOSCM
- transfer of credits from your semester abroad
- module change
- problems with the study program or during your studies

Contact via e-mail: pa.bwl@uni-mannheim.de

Or book an [online consultation](#).

3. Exams

3.c. Grading System

- Grades can be checked online via Portal² in end of January / beginning of February
- **Transcript of records:**
 - You can download your transcript of records via Portal² as soon as all your grades are available

Numerical Grade	Grade
1.0 or 1.3	Excellent
1.7, 2.0 or 2.3	Good
2.7, 3.0 or 3.3	Satisfactory
3.7 or 4.0	Sufficient
5.0	Failed

3. Exams

3.d. Dean's List and Honors Program

- The Dean's List is an award for particularly high-performing students on the Mannheim Master in Operations and Supply Chain Management degree program. It is compiled after the second and fourth semester. The list will be compiled at the end of the spring semester. Students will receive an award.
- Students who are on the Dean's List after the second semester, can apply for the Honors Program.

3. Exams

3.d. Dean's List criteria

Second semester:

- A minimum of 51 ECTS must be achieved after the second semester
- Due to the application for the Honors Program, only the regular examination dates for the minimum number of ECTS credits can be considered in the second semester.

Fourth semester:

- A minimum of 96 ECTS must be achieved after the fourth semester
- The Dean's List is compiled after the alternate examination dates, allowing all achievements of the semester to be considered.

→ The students are ranked based on their average grade, and the top 10% are nominated for the Dean's List.

4. Important Remarks

4.a. E-Mails

E-mails are the official communication channel of the university. You will receive important information via e-mail. You are obliged to read your university e-mails regularly.

- Log in with your Uni-ID and password here:
<https://exauth.uni-mannheim.de/login/LogonPoint/tmindex.html>
- More information on e-mail-clients etc. is provided by the University IT.

4. Important Remarks

4.b. IT Services for students

The University IT (UnIT) provides numerous IT services for students.

E-Mail and
Calendar

Data
storage and
exchange

Wireless
Access

Media Courses

Reduced-price
software (Microsoft
Office, STATA,
MATLAB etc.)

**And much
more!**

VPN Access

Print online

4. Important Remarks

4.c. eCUM (Electronic Card University of Mannheim)

The ecUM serves as an ID card, cashless payment method, library card, and access authorization.

- After your successful enrollment, you receive an email with information on when and how you will receive your ecUM.
- International degree-seeking students, please refer to the central international office of the University of Mannheim with all questions regarding receiving the ecUM.

4. Important Remarks

4.d. Submission of Bachelor's certificate

- All students must present their original Bachelor's certificate by the end of the semester at the latest (31.01.2027).
- Preferably at the Express Service (opening hours online) or on Tuesdays during Ines Keller-Biehl's open office hours (every Tuesday from 9-11am).
- Certificate must be in German or English; alternatively, a certified translation + original can be provided.
- Student services will make a copy on site and the certificates can of course be taken back with you.
- You might not only have this requirement, but also have to provide proof of your successful Bachelor's degree (a certificate without a transcript is also possible) by October 15. This can be sent by e-mail to master-bwl@uni-mannheim.de

Every student has individual requirements on their letter of admission and all important information and deadlines are listed there. Please check your letter of admission for all your specific requirements!

4. Important Remarks

4.e. Study Abroad Info Sessions

The session is held **online** and in English.
Please join via the student portal.

Info Session on	Date	Application Deadline	Contact
Semester Abroad MMOSCM	16 September, 4:00 p.m.	15 October 2026	Annabel Zürker annabel.zuerker@uni-mannheim.de

Any questions in the meantime? Please go to the website of the team for international affairs.

Key Take-Aways of this session

- 1 Team program management is here for you. We are always available, either by e-mail or during consultation hours.
- 2 You can find the answers to most questions about studying on our website for current students. If not, please feel free to contact us.
- 3 Read your university-e-mails regularly.
- 4 Familiarize yourself with the examination regulations.
- 5 Course registration and exam registration are different processes. Please pay attention to the deadlines.

At the University of Mannheim, we treat you as an adult. This means a lot of freedom, but we also expect you to take responsibility. **It is your liability to inform yourself** about the examination regulations, study organization, and to keep deadlines. We will of course be happy to assist you with any questions you may have.
