

The **Chair of Business Administration and Accounting** is offering several part-time positions as

Research Assistant (m/f/d)

Our research addresses timely topics at the intersection of accounting, sustainability reporting, regulation and corporate transparency.

Your tasks include:

In this position, you will support ongoing research projects at our chair. In particular, you will be involved in literature research, the collection and preparation of data, the preparation of manuscripts and presentations as well as administrative tasks.

Your profile:

Good to very good academic performance, sound knowledge of MS Office (Excel, Word, PowerPoint), commitment, reliability and interest in accounting-related issues are required.

What we offer:

You will find a pleasant working atmosphere in an exciting working environment at a chair with a lot of reference to current issues in international research and teaching on questions of accounting, sustainability reporting, regulation and corporate transparency. In addition, we offer flexible working hours and the opportunity to work remotely. Student research assistants are paid according to the student research assistant payment scheme at the University of Mannheim.

The review and hiring process starts immediately. Please submit a complete application (including CV and transcript of records) as soon as possible.

Applications from persons with a disability (minimum 50 %) are given

The **University of Mannheim** is one of the leading universities in Germany with approximately 12,000 students in five schools. Particularly in business and economics as well as in the social sciences the university ranks among the top institutions both at national and international level. More than 2,600 employees profit from an exciting work environment with numerous benefits.
