Application process

Students must formally apply to write their master thesis at the Chair of Strategic and International Management by handing in their CV, a current transcript of records (of their master's program), their bachelor diploma, and a research proposal within the stated application deadline. Please submit your application to Andrea Ragaller (sekretariat.brauer@uni-mannheim.de).

You will receive feedback on your application within two weeks after the application deadline via E-Mail. Then you will also receive more information regarding the time and place of the kick-off session as well as the Stata tutorial, and your supervisor.
