Working student (f/m/d) Partner Portfolio Strategy

SAP's vision is to help the world run better and improve people's lives. As the cloud company powered by SAP HANA®, SAP is a market leader in enterprise application software, helping companies of all sizes and industries run better. SAP empowers people and organizations to work together more efficiently and use business insight more effectively. SAP applications and services enable our customers to operate profitably, adapt continuously, and grow sustainably. At SAP, we believe in the power of collaboration and empower our employees to perform at their best in an environment that encourages free and open expression of ideas. You'll work alongside creative thinkers who share your interests, while turning big ideas into reality for our customers. With innovative job training, mentors to help you grow, and the flexibility to balance your work and personal life, you'll be able to get more out of your career. It's no wonder that some of the sharpest minds from around the world are working for a company that is consistently recognized as a global top employer.

Now it's your turn to take the next step and help make the world Run Simple.

PURPOSE AND OBJECTIVES

The Portfolio Augmentation and Roadmap Acceleration Team within SAP's Global Partner Organization enables SAP and our software partners to strategically augment SAP's solution portfolio and product roadmaps, to accelerate the time-to-innovation for the customers of the SAP Ecosystem and enable both SAP and our software partners to unlock new growth and IP generation opportunities. Development Partner Management acts as single point of contact and trusted advisor for colleagues on all levels in the development organization, offering best-practices advice on SAP partnering processes involving product assets / 3rd party software and taking an active stand in the ongoing development of same. The team provides services such as

- Central counterpart to development units, partner management, Licensing, Legal and others on development partner related topics
- Running/ supporting strategic projects with partner portfolio and innovation relevance
- Providing process governance and ownership of development partner related frameworks
- Ensuring knowledge sharing via events and other information sources
- Reviewing development partner contracts for the Board office and L1 management
- Executive support on Development Partner engagements as trusted advisor on partnering decisions, negotiation and execution

EXPECTATIONS AND TASKS

- Full responsibility of our team marketing and communication channels (e.g. Team Jam, WIKI)
- Autonomously organize internal and external events
- Tackle data consistency and harmonization opportunities like e.g. contract and partner database administration and enhancement
- Reliable support during strategic project execution
- Supporting other operational and functional task

EDUCATION AND QUALIFICATIONS / SKILLS AND COMPETENCIES

- Field of studies: Bachelor's or Master's in business administration, Computer Science or related fields
 - Computer skills: Sound knowledge of Microsoft Office with excellent Excel skills
 - Language skills: German and English, full professional working
 - Strong communication and team working skills
 - Ability to ramp-up quickly on new topics with high complexity
 - Reliable, pro-active, open-minded and highly structured working method
- Your set of application documents should contain a cover letter, a resume in table form, school leaving certificates, certificate of enrollment, current university transcript of records, copies of any academic degrees already earned, and if available, references from former employers (including internships). Please describe as well your experience and skills in foreign languages and computer programs / programming languages #Workingstudent #Werkstudent #Germany #Deutschland #Student.

WHAT YOU GET FROM US

Success is what you make it. At SAP, we help you make it your own.

A career at SAP can open many doors for you. If you're searching for a company that's dedicated to your ideas and individual growth, recognizes you for your unique contributions, fills you with a strong sense of purpose, and provides a fun, flexible and inclusive work environment – apply now..

SAP'S DIVERSITY COMMITMENT

To harness the power of innovation, SAP invests in the development of its diverse employees. We aspire to leverage the qualities and appreciate the unique competencies that each person brings to the company. SAP is committed to the principles of Equal Employment Opportunity and to providing reasonable accommodations to applicants with physical and/or mental disabilities. If you are in need of accommodation or special assistance to navigate our website or to complete your application, please send an e-mail with your request to Recruiting Operations Team (Americas: Careers.NorthAmerica@sap.com or Careers.LatinAmerica@sap.com, APJ: Careers.APJ@sap.com, EMEA: Careers@sap.com). Successful candidates might be required to undergo a background verification with an external vendor.
