

Module: MAN 680 Challenges of Public and Nonprofit Management – Case Study Seminar

Contents:

World-wide public and nonprofit organizations make an important contribution to society. In order to face the increasing economization and globalization in the public and nonprofit sector, organizations need to professionalize. Combined with the public and nonprofit-specific organizational purpose, these tendencies pose particular challenges to public and nonprofit management. These will be highlighted by analyzing scientific papers and by discussing practical cases and project work.

Learning outcomes:

By the end of the module students will be able to

- explain the particularities of public and nonprofit management,
- apply general management methods in the public and nonprofit sector,
- evaluate the development of specific concepts for public and nonprofit organizations,
- discuss hypotheses and findings in the field of public and nonprofit management.
- critically analyze scientific papers.

Moreover, key competences such as presentation competence, working with academic papers and team competences shall be acquired.
