

Module: MAN 675: Selected Challenges in Nonprofit Management – Focus topic**Aim of module:**

Each semester a focus topic in the area of nonprofit management is chosen and discussed. This is done by analyzing scientific papers and by discussing practical examples, cases and project work.

Learning outcomes:

By the end of the module students will be able to:

- explain framework conditions as well as theoretical foundations of nonprofit management with regard to the focus topic,
- critically discuss management challenges in the light of the focus topic,
- critically analyze scientific papers.

Moreover, key competences such as presentation competence, working with academic papers and team competences shall be acquired.
