

**Module: MAN 675 Selected Challenges in Nonprofit Management**

**Contents:**

Each semester a focus topic in the area of nonprofit management is chosen and discussed. This is done by analyzing scientific papers and by discussing practical examples, cases and project work.

**Learning outcomes:**

By the end of the module, students will be able to:

- explain framework conditions as well as theoretical foundations of nonprofit management with regard to the focus topic,
- critically discuss management challenges in the light of the focus topic,
- critically analyze scientific papers.

Moreover, key competences such as presentation competence, working with academic papers and team competences shall be acquired.

**Prerequisites:**

**Formal:** -

**Recommended:** Helmig, B. & Boenigk, S. (2020). *Nonprofit Management*. 2<sup>nd</sup> edition, München: Vahlen.
