

Dr. Peter Pfeiffer

Lecturer / Lehrbeauftragter

University of Mannheim

Kearney

Partner Emeritus

Biography

Dr. Peter Pfeiffer is a Partner Emeritus of Kearney with more than 25 years of consulting experience. During his career, Peter Pfeiffer has mainly been working in two areas: (1) cross-industry large-scale, complex programs addressing Transformation, Operating Model & Organization, Leadership & Change and Restructuring and (2) advising global and large national companies in the Consumer Goods industry in Strategy and Growth, Organization and Process optimization, Merger Integration, Operations / Supply Chain and Strategic IT. He has special expertise in Organizational Development and Communication & Change Management. After studying business administration at the University of Dortmund, Peter Pfeiffer wrote his doctoral thesis at the Justus-Liebig-University in Giessen at the Chair for Corporate Management and Organization. He joined Kearney in 1990 and was promoted to Partner in 1998.
