

WHAT IS IT ABOUT?

The Institute for Market-Oriented Management (IMU) at the University of Mannheim (Germany) is **a forum for dialogue between academia and practice**. The IMU intends to foster research and generate scientific findings relevant for market-oriented management. The academic directors of the IMU are Prof. Dr. Dr. h.c. mult. Christian Homburg and Prof. Dr. Sabine Kuester.

In 2024, the IMU will tender its twelfth dissertation award for scientifically and methodically excellent marketing, sales, and market-oriented management PhD dissertations which derive highly relevant managerial implications. The sponsor of the 2024 prize is Dr. Jan Becker, CEO at Porsche eBike Performance GmbH. Commonly known for its high-quality cars, Porsche founded Porsche eBike Performance GmbH in 2022 to drive the transformation of mobility with smart, innovative electrical solutions. Based in Ottobrunn near Munich, the company develops electric drive systems for e-bikes. These include motors, batteries and the necessary software architecture for connectivity solutions. Combining tradition and innovation, Porsche eBike Performance GmbH plays an important role in shaping the future of sustainable mobility.

Together with the company donor, the IMU board will select the winning dissertation. The award is endowed with **2,000 Euros** in prize money.
