Open Student Assistant Positions

- We are looking for two student assistants who want to join our team (30h per month).
- You will support our research activities.
 - Engage in cutting-edge research on human behavior and e-business/e-government
 - Employ some of the latest psychophysiological investigation techniques (e.g., eye tracking, electrodermal activity)
 - Develop your theoretical and methodological research skills
 - Improve your practical (IT) skills
 - Gain academic work experience

What You Should Bring to the Job

- Interest in the latest internet technologies and human behavior
- The ability to work independently
- Dependability and commitment
- Very good German and English language proficiency
- Bachelor degree in business administration, business informatics, or related fields

Your Application

- Application documents
 - Letter of motivation (1 page)
 - CV
 - Transcript of records
 - Certificates
- Application procedure
 - Please send your application to Markus Noeltner either by email (noeltner@bwl.uni-mannheim.de) or mail (University of Mannheim, Assistant Professorship for E-Business & E-Government, Markus Noeltner, L 15 1-6, 68161 Mannheim).
 - The application deadline is 31 August 2019.

We are looking forward to your application!

Data protection: Please note that violations of confidentiality and unauthorized access by third parties cannot be ruled out if unencrypted email communication is used. Submitted documents will be sent back if a sufficiently stamped envelope is enclosed with the application. Otherwise they will be destroyed after completion of the application process in accordance with data protection law. Information on the processing of personal data according to article 13 of the GDPR is provided in the employment opportunities section of the University of Mannheim's website.
