Evaluation of the course

Course objectives were clearly stated.

Course requirements and criteria for grading were clearly explained.

The course was well structured.

The choice of topics was explained by the instructor.

The choice appeared well-founded to me.

Dissemination of subject matter was appropriately placed over the semester.

Course content was presented in a comprehensible manner.

Instructor illustrated subject matter with examples from the business world and from current research.

Where appropriate instructor drew parallels to business-related disciplines.

Instructor incorporated audiovisual media effectively (e.g., blackboard, overhead projector,

Visual materials were easy to read and follow.

Answers given by the instructor were helpful in clarifying uncertainties.

Recommended reading materials (e.g., lecture notes, literature) were useful in facilitating understanding

Recommended reading materials (e.g., lecture notes, literature) were readily available.

Instructor's manner of speaking was clear and audible.

Instructor spoke at an appropriate speed.

speed.

Instructor's lecturing style sustained my attention.

Instructor was open to subject-oriented issues.

Instructor was open and friendly towards students.

Instructor was able to arouse my interest in the subject.

Evaluation of general satisfaction with the course

Evaluation of teaching and learning environment

Prior knowledge and experience helped me master the course content.

Technical equipment (overhead projector, beamer, blackboard, microphone, etc.) was always
Size of the room was adequate for

The room setup (seating, tables, lighting, ventilation, etc.) was satisfactory.

the course.

The content is his good buchground from praxis
What should/could be improved?
The content poin the locker access not match the exercises.
Content that was already presented in FlwII should not be gone over in detail anymore
e.g. (A= 10 3+ = + 6 01 = A) 10.9
