

Looking for:

Freelance Coders (m/f/d) for Research Project at the Chair of Corporate Governance

We are looking for **students (m/f/d)** from the University of Mannheim to support a Research Project at the **Chair of Corporate Governance** for **32 hours (total working time)** in the period **from 01.09.2022 to 31.12.2022** (respectively 31.01.2023).

Your task is to code financial ads for our research project. The research assignment involves a total of 32 hours of work per student (approximately 15-16 ads coded in one hour). You will receive an online training on the requested coding task together with a codebook manual.

What you can expect:

- Flexible working time in consultation with the project managers
- Sufficient guidance at the beginning of the task
- Interesting project task, independent work environment
- Compensation: € 12,00 per hour (in total: 396,00 EUR fixed salary)

What we expect:

- Ability to work independently
- High level of motivation and reliability
- Good command of English [and German]
- Ability and willingness to independently learn and get acquainted with new software and survey tools
- registered student at the University of Mannheim

The designated work contract is a contract for work and services. You will not get employed at the University of Mannheim. You will be therefore not subject to wage tax deduction as a freelancer. You are free to organize your activities and working hours. Please note: You may not be an employee of the University of Mannheim (this also includes assistant and tutor activities) at the same time of the project. If you have been employed at the University of Mannheim before, a declaration regarding the delimitation of the work to the former activity has to be enclosed. *(In case, you are employed at the University of Mannheim (as Research Assistant / Tutor etc.) during the project time you may hand in your application, but a different type of working contract must be chosen. This must be checked if possible in each individual case!)*

Did we spark your interest?

Please send your application with the following documents via email to our office, **Ms Alexandra Kornfeld-Gran** (alexandra.kornfeld-gran@uni-mannheim.de) as soon as possible:

- Short letter of application
- CV
- Expected availability during the project phase (from 01.09.2022 to 31.01.2023)

- Residence and work permit for freelance work, if required for you stay in Germany
- **Please explicitly note, if you are currently or were in former times employed at the University of Mannheim as research assistant/ tutor etc.**
