

The **Area Accounting & Taxation** is offering several positions as

## Research Assistant (m/f/d)

starting as soon as possible.

The chairs of Professors Spengel, Dörrenberg and Voget have several vacancies for research assistants (m/f/d) to support teaching and research from Fall Semester 2025.

### Your tasks include:

- Conduct research for the projects of our employees.
- Support our employees in the preparation of teaching and other tasks.
- Support third-party funded projects to improve teaching.
- Optional: application of data science in the context of empirical research projects.

### Your profile:

- You are interested in the topic of taxation.
- You are studying business administration or a related subject (e.g. law, economics, business mathematics/computer science) from the 3rd Bachelor semester with at least good grades.
- You are committed, reliable and efficient.
- You enjoy working in a team and on your own initiative.
- Optional: successfully completed tax modules, initial knowledge on empirical work (e.g. with Stata, R or Python).

### What we offer:

- Reliable payment according to the pay rates of the state of Baden-Württemberg
- Comprehensive insight into academic research practices
- A position with individual learning opportunities
- A workplace in the castle
- Cooperation with an interdisciplinary team
