The professor and the content

What should/could be improved?

• maybe small exercises within the course would help to understand the course content better, as today's exercise for the last chapter (which was ~~too~~ helpful as it was a very abstract chapter in my opinion)

• without lot of prior knowledge cases are sometimes hard

~~• "panel" chapter was very interesting~~

• went through "panel" chapter very quickly

A 3-hour per week course might be too intensive.
Need time to digest the content.

Upload the 8th Exercise Session Slides.
Slower pace for latter parts.

Nothing.
